

## Smarter Than You

### Random Encounter

I'm smarter than you, you're even dumber than you look

I'm smarter than you, you're not a genius, just a crook

I'm saying you're brainless, I'm clever

You're spineless I'm better than you

I'm smarter than you

I'm a two-tailed fox, with a high I.Q.  
Can science circles trying tool like you  
I'm a genius, Supremos, a non-parrel  
You're an egg wearing pants, as far as I can tell  
You're a clumsy clod with a rotten brain  
Get a Dr. doc cuz you're legit insane  
Go get on some meds, maybe take a few doses  
Cause extreme psychosis is my diagnosis  
I'm something special, you're a crack pot poser  
I've got a mind you couldn't touch  
My wit gets sharper, while your gut gets grosser  
Face it, I'm simply too much

I'm smarter than you

No you're not!

You're not a doctor, just a fraud  
I'm smarter than you

That all you got?

Your wits embarrassingly flawed

Think harder I'm slicker than you  
I'm smarter than you

Wanna match wits well I beg your pardon  
I'm in aerospace, you're in kindergarten  
I don't have time for your lab rejects  
Cause you're incorrect about your intellect  
You got half a brain, when compared to me  
My I.Q. goes on beyond infinity  
Every thought you've had maybe, I've had two  
I got all the cards you ain't got a clue  
You're fooling no one you're a poor pretender  
A kid who's in above his head  
If you were wiser you'd at least surrender  
Guess I'll just kill you instead

I'm smarter than you

No you're not!

You're mental prowess can't compare  
I'm smarter than you

That all you got?

This ain't no third grade science fair  
I'm saying you're fully inferior  
I'm fully superior to you  
I'm smarter than you

Gotta say I expected more  
From an egg I've beat a million times before  
Did I turn up the heat?  
Is this to obtuse, well I'm only 8 so what's your excuse?

You can't burn the candle to the lights of me  
I've got three degrees and a PhD  
You're a two tailed freak, Gotta search for purpose  
So back off clown, go join the circus

You're a few bricks shy of a modest load  
Every plot you've got, I'll make your plans implode  
Using physics, statistics, ballistics, logistics  
Realistically, you've got nothing but gimmicks

You're up to speed that's rhetorical  
You're an engineer that's adorable  
I'm a pro with robotics, a bio electronics  
You know what's ironic, a sidekick to Sonic

You underestimate me at your peril  
You burn your tongue with every diss

You're just a sling shot I'm a double barrel  
So how about you get a load of this

I'm smarter than you

No you're not!

You've got a tiger by the tail

I'm smarter than you

That all you got?

Enjoy another epic fail  
I'm saying your senses are slighter

I'm blatantly brighter than you
