

Blind Man

Random Eyes

I stand before you
A shadow of a man
Can you see behind these eyes of sorrow?
Confusion leading through my mind

Time keeps on tunning
Can you choose your path?
The right way to follow
Seeking for answers
Feels like sanity slips away

What is the filthiness?
Is there no purity?
Can you see behind these eyes of sorrow?
Confusion leading through my mind

Time keeps on tunning
Can you choose your path?
The right way to follow
Seeking for answers
Feels like sanity slips away... slips away
Love is just an illusion
Another form of confusion
This twisted way of the nations
Doorway to abomination!

Time keeps on tunning
Can you choose your path?
The right way to follow
Seeking for answers
Feels like sanity slips away
