

Bye Bye

Randy Crawford

Oh, I made a promise that I'd die
If I ever sent you away
Now I cry 'cause you're the one whose saying goodbye
To me tonight

I just don't know, I just don't know
Why you wanna treat me this way
I just don't know, I just don't know
Am I gonna have to beg you to stay?

'Cause I never caused you sorrow
And I never caused you pain
So why you wanna keep this boy
Standin' in the rain

And I never told your secrets
And I never told you lies
So why you wanna walk away
Telling me bye bye

Bye, bye

Oh, I know it's just a matter of time
And I'll be fine
So I, I'll remember all the good times
All the good times

Just don't know
Why you wanna treat me this way

But I gotta try to forget all of what we had
Burn down all my bridges and wipe away my past

'Cause I never caused you sorrow
And I never caused you pain
So why you wanna keep this boy
Standin' in the rain

And I never told your secrets
And I never told you lies
So why you wanna walk away
Telling me bye bye

'Cause I never caused you sorrow
And I never caused you pain
So why you wanna keep this boy
Standin' in the rain

And I never told your secrets
And I never told you lies
So why you wanna walk away
Telling me bye bye

Bye, bye

Bye, bye

Bye, bye

Bye, bye, bye, bye, bye, bye
