

# Give Me The Night

Randy Crawford

When ever dark is fallin'  
You know the spirit of the party starts to come alive  
Until the day is dawning  
We can throw out all the blues and hit the city lights

'Cause there's music in the air  
And lots of lovin' ev'ey where  
So give me the night  
Give me the night  
Give me the night  
Give me the night

You need the evening action  
A place to dine a glass of wine a little late romance  
It's a chain reaction  
You see the people of the world comin' out to dance

So come on out tonight  
And we'll lead the others on ride through paradise  
And if you feel all right  
We can be lovers  
'Cause I see that starlight look in you eyes  
Don't you know we can fly  
Just give me the night

Give me the night  
Give me the night  
Give me the night  
And if we stay together  
We'll find the rhythm of the evening takin' us up high  
Never mind the weather  
We'll be dancin' in the street 'til the morning' light
