

## Lead Me On

Randy Crawford

You know how it feels, you understand  
What it is to be a stranger  
In this unfriendly land

Here's my hand  
Here's my hand  
Take it, darling  
And I'll follow you

Let me walk  
I want to walk right by your side  
Let your love be my only guide

Here's my hand  
Here's my hand  
Why don't you take it darling  
And just lead me on

Lead me on, lead me on  
You know I'm a stranger  
And I'm so all alone

Here's my hand  
Here's my hand  
Why don't you take it darling  
And just lead me on

Hmmm  
Hmmm  
I'll follow you
