

# Something so Right

Randy Crawford

You've got the cool water when my fever runs high  
You've got the look of lovelight in your eyes  
I was in crazy motion 'til you calmed me down  
It took a little time but you calmed me down  
Yeah, you calmed me down

When something goes wrong  
I'm the first to admit it  
The first to admit it  
And the last one to know  
When something goes right  
It's likely to lose me  
Apt to confuse me  
Such an unusual sight  
I can't get used to something so right (Ooh)

They've got a wall in China a thousand miles long  
To keep out the foreigners they made it strong  
And I've got a wall around me you can't even see  
It took a little time to get next to me

Some people never say the words "I love you"  
It's not their style to be so bold  
Some people never say the words "I love you"  
But like a child they're longing to be told

When something goes wrong  
I'm the first to admit it  
The first to admit it  
The last one to know  
When something goes right  
Well, it's likely to lose me  
It's apt to confuse me  
It's such an unusual sight  
I swear I can't get used to something so right  
Something so right

I can't get used to something so right  
Something so right, now  
Something so right  
Oh, something  
Something so right  
Something so right, ooh  
Something so right  
Oh, something  
Something so right  
Something so right  
Something so right  
Oh, something  
Something so right  
Ooh, something
