He Gives Us All His Love

Randy Newman

He gives us all his love He gives us all his love He's smiling down on us from up above And he's giving us all his love

He knows how hard we're trying He hears the babies crying He sees the old folks dying And he gives us all his love

Now if you need someone to talk to You can always talk to him And if you need someone to lean on You can lean on him

He give us all his love He gives us all his love He's smiling down on us From up above

And he's giving us all his love He's smiling down on us From up above He gives us all his love
