

## Last Night I Had a Dream

Randy Newman

Last night I had a dream  
You were in it, I was in it with you  
Everyone that I knew  
And everyone that you know was in my dream  
I saw a vampire  
I saw a ghost  
Everybody scared me but you scared me the most  
In the dream I had last night  
In the dream I had last night  
In my dream

It started out in a barnyard at sundown  
And everyone was laughing and you were lying on the ground  
You said, "Honey, can you tell me what your name is?"  
"Honey, can you tell me what your name is?"  
I said, "You know what my name is."

Last night I had a dream  
You were in it, I was in it with you  
Everyone that I knew  
And everyone that you know was in my dream  
I saw a vampire  
I saw a ghost  
Everybody scared me but you scared me the most  
In the dream I had last night  
In the dream I had last night  
In my dream
