Let's Burn Down the Cornfield

Randy Newman

Let's burn down the cornfield Let's burn down the cornfield And we can listen to it burn

You hide behind the oak tree You hide behind the oak tree Stay out of danger 'til I return

Oh, it's so good, on a cold night To have a fire burnin' warm and bright

You hide behind the oak tree You hide behind the oak tree Stay out of danger 'til I return

Let's burn down the cornfield
Let's burn down the cornfield
And I'll make love to you while it's burning

And I'll make love to you while it's burning
