My Name Is James

Randy Newman

My name is James That's what mother called me My name is James So it's always been

Sometimes I forget When I'm lonely or afraid Then I'll go inside my head And look for James

There's a city that I dreamed of Very far from here Very, very far away from here Very far away

There were people in the city And they come to me But it's very, very far away you know Very far

They'll say James, James, James how are ya? Isn't it a lovely day? James, James, James We're so glad you came here where we are From so very, very, very far

My name is James, James, James
