

First Prayer

Randy Stonehill

I've been waitin' for a long long time
Hopin' You're a friend of mine
If there's one thing that I need to do
Well that's to find out more about You
I have been wondering all of my days
So if You're there show me the way

I see people in a world of lies
Staring out through lonely eyes
Watching as the years go by
Knowing they're living only to die
There must be something missing somewhere
So if You're listening answer this prayer

I will follow if You'll lead me
Help me make a stand
If You'll breathe new breath inside me
I'll believe You can
I'll believe You can

Well I never really learned to pray
But You know what I'm trying to say
I don't want my life to end
Not ever knowing why it began
So if You'll trust me I'll do my best
And I'll keep trusting You for the rest
