

Blue Mesa

Randy Travis

Blue mesa, land of the Sioux and Crow
Blue mesa, no matter where I go
You will always be home, sweet, home to me
Blue mesa

Moonlight shines as
Purple shadows fall
Silence broken by the lonesome
Coyote call

On blue mesa, land of the Sioux and Crow
Blue mesa, no matter where I go
You will always be home, sweet, home to me
Blue mesa

Herds of buffalo
Graze peacefully
I can almost hear
Those black hills callin' me

To blue mesa, land of the Sioux and Crow
Blue mesa, no matter where I go
You will always be home, sweet, home to me
Blue mesa

Ridin' high
Above the prairie floor
With every passin' day
I swear I love you more

Blue mesa, land of the Sioux and Crow
Blue mesa, no matter where I go
You will always be home, sweet, home to me
Blue mesa

Blue mesa, land of the Sioux and Crow
Blue mesa, no matter where I go
You will always be home, sweet, home to me
Blue mesa
You will always be home, sweet, home to me
Blue mesa
