## **Reasons I Cheat**

## **Randy Travis**

A working day to long when everything goes wrong And a boss who don't know I'm alive

I once had a notion I'd get that promotion, but now I barley su rvive

A wife to demanding with no understanding Of why I stay dead on my feet

A dimly lit tavern a willing young woman

Are some of the reasons I cheat

The hair that I'm losing and a women who's choosing

To lay sound asleep by my side

The bills they are mounting thats when I start counting

On someone to help sooth my pride

A lady that knows me affection she shows me and a smile so easy and sweet

The dreams that I've buried the load that I've carried Are some of the reasons I cheat

My children keep on growing me age keeps on showing Like all of my old friends I meet
So I'm getting older my life's growing colder
Just some of the reasons I cheat
Yes I'm getting older my life's growing colder
Just some of the reasons I cheat
