

# Big Easy

Raphael Saadiq

Mmmmm mm mm  
Yeah  
Whoa  
Ay-ay ay ay

Somebody tell me  
What's going wrong  
I ain't seen my baby  
In far too long  
Somebody please tell me  
What's going wrong  
They say them ladies broke  
And my baby's gone  
Listen  
It's been a couple of days  
And real dark nights  
I miss my only child  
I ain't seen her since that night  
She left home about eight  
And never to return  
Our body's floatin' -  
Floatin' into that river

I gotta know  
What's going wrong  
I ain't seen my baby  
In far too long  
Somebody please tell me  
What's going wrong  
I ain't seen my baby  
In far too long

I been searching all around  
Day and day and night  
Somebody please tell me  
I need to feel somebody  
So many souls crying  
How could it be?  
'Cuz every step I take  
I can't think

Somebody tell me  
What's going wrong  
I ain't seen my baby  
In far too long  
Somebody please tell me  
What's going wrong  
I ain't seen my baby  
In far too long

Please somebody tell me  
What's going wrong  
I ain't seen my baby  
In far too long  
Somebody please tell me  
What's going wrong  
I ain't seen my baby

In far too long

Please somebody tell me  
Yeah-ah  
Please somebody tell me  
Yeah-ah  
Please somebody tell me  
Yeah-ah  
Please somebody tell me

Please somebody tell me!  
Tell me  
Please somebody tell me!  
Tell me  
Please somebody tell me!  
Tell me  
Please somebody tell me!  
{Somebody tell me}  
Please somebody tell me!  
Come on and tell me  
Please somebody tell me!  
Just tell me  
Please somebody tell me!  
I got to know  
Please somebody tell me!  
I know you know  
{Somebody tell me}  
Somebody tell me  
Oh my God  
Somebody Tell me  
Oh my God
