

I Love Her

Raphael Saadiq

I just simply say...

I love her
My darling (girl, you're my darling)
My homegirl (and you're the one I love, I wanna tell everybody)
My best friend (girl, you're my best friend)

When I open my eyes you are all I see
Wanna hold you, kiss you, and wash your feet
Everybody's third when it comes to you
See, the night ain't the night unless you are the view
I can't believe we got each other, something is so true
And when we take a walk, I'm looking out for you
And if your girl makes you feel like this
Let me hear you say...

I love her (I love her, oh oh, oh oh)
My darling (my darling)
My homegirl (my homegirl, yes you are, yes you are)
My best friend (you're my best friend)

Every time I see your face, I know God is good
And your mind is so right, girl I know I could
I could spend the rest of my life with you
Let you dance around the house, I wanna watch you
You know what song I wanna hear when you start to play
Something bangin', smooth like Ray Ray
Let's take it to Cleveland, I'll play an O'Jays song
This is what Eddie would say, "Sing along"

I love her
My darling (and girl, you're my darling, yes you are)
My homegirl (my homegirl, yes you are, baby)
My best friend ('cause you're my best friend, yeah)

Baby, I love you, yes I do
Baby, I need you, baby, yes I do
Baby, I love you, baby, yes I do
Know I like it, baby
That's why I simply say...

I love her (say it fellas, tell your girl, tell her)
My darling (girl, you're my darling)
My homegirl (you're my homegirl, baby baby)
My best friend (and you're my best friend)
I love her (yes I do, yes I do, baby)
My darling (girl, you're my darling)
My homegirl
(I don't know what took me so long to notice you, baby)
My best friend (you're my best friend, oh oh)

Ooh hoo ooh hoo, oh, oh, oh, oh
Ooh hoo ooh hoo, yeah yeah, yeah yeah
Ooh hoo ooh hoo, yeah yeah, yeah yeah
Ooh hoo ooh hoo, yeah yeah, yeah yeah
