

# I'm Feeling Love

Raphael Saadiq

I'm feeling  
Love, love, love, love, love, love, love, love  
I'm feeling  
Love, love, love, love, love, love, love, love  
I'm feeling  
Love, love, love, love, love, love, love, love  
I'm feeling  
Love, love, love, love, love, love, love, love

I turned on every light  
Because I love my life  
I've been feeling more than blessed  
Even through the hardest times  
I thank God for my few friends  
Yes, I can count them on one hand  
And as random as I sound  
I still manage to hold it down

I'm feeling  
Love, love, love, love, love, love, love, love  
I'm feeling  
Love, love, love, love, love, love, love, love  
I'm feeling  
Love, love, love, love, love, love, love, love  
I'm feeling  
Love, love, love, love, love, love, love, love

You are my rehab  
The only needle that I have  
Injections everyday  
Vein to vein I'm here to stay  
I'm drowning in good love  
The only space I need to grow  
Needle was my life  
Someone pass me a glass of wine

Live my life like Willy Wonka  
It's that TV Edith Bunker  
Uncle Fred and Jimmy Walker  
George Jefferson had that walk and

Live my life like Willy Wonka  
It's that TV Edith Bunker  
Uncle Fred and Jimmy Walker  
George Jefferson had that walk and

Live my life like Willy Wonka  
It's that TV Edith Bunker  
Uncle Fred and Jimmy Walker  
George Jefferson had that walk and

Live my life like Willy Wonka
