

Dang, the trees look nice today in the park, don't they?
Yeah, it's nice and peaceful
I like that car over there
Ain't that Raphael Saadiq?
Yeah, it looks like it
Yeah it is!
Think he wanna hear our stuff?
Think you can, like, step to him like that?
(C'on) Yeah, let's just walk over there
Yeah, just snap your fingers...he lookin'

I'm sittin' on the corner of the curb
Waiting for somebody to come by who wanna to...
Smoke...that...erb...with me

Wanna to put in on this weed?
Five for you, five for me...and maybe we can get...
A dime or or two, if you got more
Well, I only have a few...what can we do?

Well, we sittin'...on the curb...with that urge...
To smoke some erb

For the need...for the urge...to smoke erb...
Smoke some erb

For the need...for the urge...to smoke erb...
Smoke some erb

For the need...for the urge...to smoke erb...
Smoke some erb (It's enjoyable)

Take some out right now
Roll it up
Yeah
