

## Ray Ray Theme

Raphael Saadiq

He's an Oakland rider, making money in L.A  
Play that funky bass, boy  
Y'all may know him as Raphael Saadiq, but uh  
His name is Ray Ray, Ray Ray...oh...

So proud of that, know why  
Loverman, hoo-hoo, ow, show me what you wan' do  
Ray Ray, Ray Ray  
Don't you wanna ride me in your Cougar?  
Come on, come on, come on

Oh, I must admit it, I got to put you in it  
You are the right girl  
Yes, I pulled the right girl  
I must admit it, I got to put you in it  
Are you ready to go, girl?  
Let's take a ride with me

You are the lucky one  
You are the only one  
You are the only one I ride, yeah yeah yeah yeah yeah  
Come ride in my Cougar

He's an Oakland rider, making money in L.A

Y'all may know him as Raphael Saadiq, but uh
