

Odd Ducks

Rare Americans

One of these things is not like the other
Basic Sesame Street, brother
They sent me to the schools
Where they try to reform ya
Felt like the oddest kid, whole state of California

Quack quack!
I'm an odd duck darlin' and I'm proud to be
Quack quack!
I'm an odd duck darlin', doesn't bother me
Quack quack!
I'm a strange bird baby, I'm the first to say
Quack quack!
I'm a strange bird baby, it's the only way

One of these things is not like the other
Took a little while, for my talent to uncover
Discovered.... they mistakenly took
The cover at face value and misread the book

We see different prizes, we see different lines
We hear different voices, we see different signs
We have different callings, were on different grinds
You know I'm different by design
