

Good Time Sally

Rare Earth

Hey yeaahhh...

Hey..

Yeahah..

Oh yah, when i first came to the city,
I had a twenty dollar bill in my jeans.
and i thought that i must be in heaven,
Couse i found the little girl of my dreams.

Yeah.

Well, i was just new in the city now..
and she was so young and pretty now..
She showed me a brand new world,
Oh Sally... yeah..
Sally was a good time girl.

Yeah, yeah,

Well i showed her all of my money..
and she showed me a real good time..
I mean, i took her out,
and she took me in...
whow Sally was a friend of mine..

Well, i was just new in the city now..
and she was so young and pretty now..
She showed me a brand new world,
Oh Sally... yeah..
Sally was a good time girl.

Hey yeah..

Ohyeah..

Hey..

Whooohoo...

Well, it turns out that Sally had a room mate,
And Sally's room mate had a guy...
Oh well he looked like he might have played football,
And I was sure glad he couldnt run...

Last time i saw Sally,
Oh Well, there wasnt any time for goodbye's..
But i know that i'll always remember,
Ohh Sally was a friend of mine..

Well, i was just new in the city now..
and she was so young and pretty now..
She showed me a brand new world,
Oh Sally...
But Sally was a good time girl.
