

Magic Key

Rare Earth

You, the people of this land
You've got to try to understand
Open up your mind and soul
Let your heart be your goal

You see, I do want to be
A part of you and a part of me
That's the means to equality
That's the real Magic Key

In this land, there has to be
Enough room for you and me
To laugh and talk, to understand
To give each other a helping hand
