Satisfaction Guaranteed

Rare Earth

Any way you want me
Baby, that's the way I'll be for you, oh yeah
I can be a strong man
One that's gentle too
Just don't choose the wrong man
You know I'm good for you

And I don't mean maybe, no, no, no, no
Well, I don't mean maybe

Satisfaction guaranteed

Any time you tell me
Baby, that's the time I'll come to you, oh
Ridin' down the high road
Walkin' down below
Long as yours is my road
That's the way I'm gonna go

And I don't mean maybe, no, no, no, no, no
I don't mean maybe
Satisfaction guaranteed, ooh

You gotta trust me, baby
You gotta believe in me, darlin'

Ha ha ah (Ha ha ah)
Ahaha (Ahaha)
Ha ha ah (Ha ha ah)
Ahaha (Ahaha)
Ooh ooh ooh ooh

Mmhmm hmmhmm

Any way you want me
Baby, that's the way I'm gonna be for you, you, you, you, you
I can be a strong man
One that's gentle too
Just don't choose the wrong man
You know I'm good for you

And I don't mean maybe, no, no, no, no
Well, I don't, I don't, I don't mean maybe
Satisfaction, satisfaction
Satisfaction guaranteed
Honey, honey, honey, guaranteed

Got a money back, money back, money back
Papa's gone as a guarantee-tee
Walkin' down a high road, walkin' down a low
Gotta go down you road, that's the way I'm gonna go
