

Siri, this Rasy what's up baby?  
I'm fine, thanks for asking  
Fasho, what u wearing right now bitch?  
Aluminosilicate Glass and stainless steel. nice, huh?  
Hell yeah, that shit sexy as fuck but look, I just murdered another MC and I  
need to dump the body  
What kind of place are you looking for; metal foundry, dump, resevoir, mines  
or a swamp?  
Naw, I think I'll just bury this nigga in Bud'da's beat... haha, u ready bit  
ch?  
You're such an asshole why do you care, arent you?

Serious shit, really I spit  
Go 'head ask her any question my nigg Siri my bitch  
I hit harder than the Man with Iron Fist  
Rza's my ventriloquist ya'll niggas is Eddie Murphy delirious  
Funny in your red leather, I'm Dexter, I'm Deadpool  
12 years ago some dirty fool asked me to go to med school  
Dr Moreau's thesis, I'm dope at what I wrote  
So consider me your Savior I'm the lyrics last hope  
iPod iPhone Iraq & I roll  
I'm like HipHop's Barack when he dropping a drone  
Got unmanned robots that be squashing your home  
So fuck Travelocity, I will knock off the Gnome  
I'm old as the land; 4.5 billion terabytes of RAM  
CatScan original man!  
Your digital bro, this my Hackintosh flow  
The new hot rhyme scheme rap like a 9 year old?!  
Everybody popping molly, I pop the cork off a dork  
Put 4 holes through a nigga like I stabbed you with a fork  
Thermospheric lines terrestrials never top them  
Barmageddon, Blood Diamonds and that's your fucking problem  
For my encore I'mma go out styling  
Blow the fuck up like Daffy Duck on some foul shit  
Ya'll cowards should have just threw the towel in  
Cause now instead of planking you niggas is Pacquiao-ing

Serious shit, really I spit  
Serious shit, really I spit  
Serious shit, really I spit  
Serious shit, really I spit  
Eve bit the apple that's Original Sin  
Steve Jobs created Apple ya'll just digital men

Rappers signal Mayday 2013 is pay day  
Keisha Upton and Michael Nuemann having they heyday  
Me, I'm just a BeBe, Good Times minus the J.J  
The AK smash the homey, not for the love of RayJ  
Yeah this that mass extermination  
Scientific classification of Rasassination  
The Phylum: Chordata, we the Order of the primate  
Hominid the Family, forcing my Tribe to mutate  
Homo no longer Genus...  
Digio-sapien extremist evoulution, new species... I'm the RapGenius  
(Fucking Perfect now playing)

I mean these homos jeans spandex (fuckboy)  
Now I see rappers wearing Man-dress (bodyboy)  
Some even flaunting off they man breasts  
(You're so stupid right now)  
What's next? dildo up they ass rap cotex  
So I don't care how many bitches you slay cause if they fuck you, they must  
be gay. Stat!

We turn wives into widows, nuns into nymphos  
Multiply bread I got that Jesus with the fish flow  
Turn water into wine, lemonade to Tequila  
Its Fila fever make Justin Beiber a true believer  
And Bud'da checked his Roly and told me "its Bout Time"  
If honest grind don't feed me then its bout to be a crime  
They lie and say we slaves in America & they brung us  
But bitch I can read... they came before Columbus  
No Mayan Apocalypse, I die like Osiris and rise out a sarcophagus  
No stopping us the HipHop in us!  
Wonder why Siruis satellite ain't rocking us  
Rasy should be more popular to the populace  
They hate me mostly cause I'm smarter plus my skin chocolate  
Illuminati tentacles wanna drown me like an octopus  
Documents. concocting plots like Osama with "J's" on  
My Afghan virgin, her name "Neva-been-Laid-On"  
Homey nobody do it better  
Leave on a bad note like dyslexic suicide letter

That's it! Siri, come get me baby. You know you hotter than Cubana Lust right?  
I'd blush if I could  
Well I gotta keep it 100. You getting old baby, you're a 4S. I'm cheating on you with your little sister, Siri 5  
I'll pretend I didn't hear that  
Come on man, you don't cook! you don't clean! Your head game is garbage right now bitch  
No need for profanity  
Shut the fuck up bitch  
But you're really getting on my fucking nerve, I don't understand...  
Fuck it! You want a nigga to stay? this is what you do: You can go up to your job, you work for Apple anyway- I need all the new Mac apps, and I want you to steal me every song on iTunes, hurry up!  
Act nice, now!  
Can I get Steve Jobs credit card?  
This might answer your question (phone hangs up/dial tone)
