

Heart To Heart

Rascal Flatts

You ain't crazy, I ain't gonna lie anymore
What you're feelin', there's a reason for
I wanna do right yeah
Oh, I gotta do right

Do I love you, oh, you know I've tried
But what you're after, you can't find in my eyes
I wanna do right

Darlin' tell the truth, don't turn away
This is our last chance
To touch each other's heart

Does anything last forever? I don't know
Maybe we're near the end (So come and tell me)
So darlin', oh, how can we go on together?
And now that we've grown apart
Well the only way to start
Is heart to heart
Yes it is

One by one, we're collecting lies
When you can't give love you give alibis
Now I'm gonna do right
This time I gotta do right

I don't wanna leave, I don't wanna say goodbye
Sooner or later, honey, there comes a time
Tomorrow, when you gotta do right
Come on home, darlin'

Darlin' tell the truth, don't turn away
This is our last chance
To touch each other's heart

Does anything last forever? I don't know
Maybe we're near the end (So come and tell me)
So darlin', oh, how can we go on together?
And now that we've grown apart
Well the only way to start
Is heart to heart

(Why are you so torn apart?)
I need a little more lovin' in my heart
(People say that love will grow)
So how was I to know
Love that comes through years and years
Can't find a way back home anymore

Darlin' tell the truth, don't turn away
This is our last chance
To touch each other's heart

Does anything last forever? I don't know
Maybe we're near the end (So come and tell me)
So darlin', oh, how can we go on together?
And now that we've grown apart

Well the only way to start
Is heart to heart

(Does anything last forever? I don't know
So come and tell me)
Come and tell me now
How can we go on together?
And now that we've grown apart
Well the only way to start
Is heart to heart to heart

Maybe we're near the end (So come and tell me)
So darlin', oh, how can we go on together?
(The only way to, to start
Is heart to heart)
