

I Know You Won't

Rascal Flatts

I know you don't mean to be mean to me
'Cause when you want to, you can make me feel like we belong
We belong
Lately you make me feel like all I am is a back-up plan
I say I'm done and then you smile at me and I forget
Everything I said

I buy into those eyes
And into your lies

You say you'll call, but I know you
You say you're coming home, but I know you
You say you'll call, but I know you won't
You say you'll call, but I know you won't

I wish you were where you're supposed to be

Close to me
But here I am just staring at this candle burning out
Still no sound
Of footsteps on my stairs
Or your voice anywhere

You say you'll call, but I know you
You say you're coming home, but I know you
You say you've changed, but I know you won't
I know you won't
You say you'll call, but I know you
You say you're coming home, but I know you
You say you've changed, but I know you won't
You say you'll call, but I know you, you won't
