

# Powerful Stuff

Rascal Flatts

You've got a place inside of my heart  
I can feel you there when the music starts  
Feels like a train that's bringin' me home  
It's a natural thing like a rolling stone  
I can hear ringin'  
Baby, keep playin'  
On my heartstrings tonight  
So take me to the river  
Throw me in the water  
You always make me feel alright

I've been up and I've been down  
But I don't worry  
I don't worry anymore  
Keep beggin' you for more

It b-burns like a fire  
It c-cuts a river deep  
It kicks like a gun  
But it's so so so so sweet  
I've got no de-defense  
When it comes to your love  
If it fits like a glove  
Baby this is powerful stuff

You've got a place inside of my soul  
It's a secret space that no one knows  
Feels like a drumbeat makin' me move  
Makin' me love you like I was born to do  
I can feel the rhythm  
Everything you're givin'  
Is takin' over me tonight  
Oh baby, by the hour  
I can feel the power  
Oh you make me feel alright

I've been up and I've been down  
But I don't worry  
No I don't worry anymore  
Keep begging you for more

It b-burns like a fire  
It c-cuts a river deep  
It kicks like a gun  
But it's so so so so sweet  
I've got no de-defense  
When it comes to your love  
If it fits like a glove  
Baby this is powerful stuff

You've got a place inside of my heart  
I can feel you there when the music starts

I've been up and I've been down  
But I don't worry  
No, I don't worry anymore  
Oh

It b-burns like a fire  
It c-cuts a river deep  
It kicks like a gun  
But it's so so so so sweet  
I've got no de-defense  
When it comes to your love  
If it fits like a glove  
Baby this is powerful stuff

Yeah, powerful stuff  
Oh this is powerful  
Oh this is powerful stuff, yeah  
This is powerful stuff
