

Quick, Fast, in a Hurry

Rascal Flatts

We said we wouldn't talk
That we'd been round the block
A million times
"Hello", "goodbye"
We're low, we're high
We're on and off

Just like that we
Fell in love, and
Just like that, it
All blew up, but
If you break down
And call me up
Yeah, just like that
We can pick it up

Quick, fast, in a hurry
Won't keep you waiting for me
I can be there in thirty, thirty, thirty
Don't worry if the lines get blurry
Just say

"Can you come over?"
I been up all night
Checking my phone every other minute
Impatiently waiting for you
To send the "can you come over?"
I don't care if it's only
Because you're lonely
As long as you want me, girl
You got me any way you want me

And you don't have to knock (I already got my smile on)
I'll leave the door unlocked (hold on, I'll be there)
Quick, fast, in a hurry (quick, fast, in a hurry)
Quick, fast, in a hurry

Runnin' reds, pedal down
Hit your bed then slow it down
Slow it down
Say that you need me right now
And I'll be there
(And I'll be there)

Quick, fast, in a hurry
Won't keep you waiting for me
I can be there in thirty, thirty, thirty
Don't worry if the lines get blurry
Just say

"Can you come over?"
I been up all night
Checking my phone every other minute
Impatiently waiting for you
To send the "can you come over?"
I don't care if it's only
Because you're lonely

(I don't care if you're lonely, baby)
As long as you want me, girl
You got me any way you want me

And you don't have to knock (I already got my smile on)
I'll leave the door unlocked (hold on, I'll be there)
Quick, fast, in a hurry
Quick, fast, in a hurry

I already got my smile on
Hold on, I'll be there (I'll be there)
No, you don't have to knock
Just come on over

Quick, fast, in a hurry
Quick, fast, in a hurry
I can be there, baby
Don't worry if the lines get blurry
Quick, fast, in a hurry
