Revolution

Rascal Flatts

You say you want a revolution
Well you know
We all wanna change the world
You tell me that its evolution
Well you know
We all wanna change the world
But when you talk about the structure
Dont you know that you can count me out

Dont you know its gonna be
Alright alright
Dont you know its gonna be
Alright

You say you got a real solution
Well you know
We dont wanna see the plan
You ask me for a contradution
Well you know
We're all doin what we can
But if you want money for people with minds that way
All i can tell you is that you'll have to wait

Dont you know its gonna be
Alright (dont you know its gonna be) alright
Dont you know its gonna be
Alright

You say you changed the constitution
Well you know
We all wanna change your head
You tell me its the institution
Well you know
You better free your mind instead
But if you go carryin pictures of gemini
You aint gonna make it with anyone anyhow

Dont you know its gonna be
Alright (dont you know its gonna be) alright
Dont you know its gonna be
Alright

Alright alright alright alright alright alright alright
