

# The Man In Love With You

Rascal Flatts

If you think I've second guessed it  
Or for one minute I'd regret it  
This life with you  
No, there's never been a moment  
Not one time I haven't known it  
What I have with you  
You hold my heart  
Deep inside of every single part

If I could be anything  
I wish that I could be, oh baby  
If I could rule all the kingdoms  
Maybe even sail the seven seas  
If I could do all the things  
I only dream that I could do  
I'd still be  
The man in love with you

I try every day to show it  
Just to make sure that you know it  
I'm here to stay  
And you'll never have a reason  
To ever think I'm leaving  
There's just no way  
It's no mystery  
How I feel  
Baby, can't you see

I can't go places  
I always see traces  
Of the only thing in life I'll ever need

If I could do all the things  
I only dream that I could do  
I'd still be  
The man in love with you  
I'd still be  
The man in love with you
