

# Vandalized

Rascal Flatts

If I was a wall, you'd take a can  
And you'd spray paint, paint all over this man  
If I was a car, you'd take a key  
Put the metal to the metal 'til you leave me

Feeling like I'm vandalized  
You can't stop getting off, girl your love breaking me, making me  
Scandalized  
I get burned, I don't learn, so in turn, I get vandalized

Hey, hey, he-ey  
Hey, hey, he-ey  
Hey, hey, he-e-ey

If I was a window, you'd find a rock  
Throw a fast ball through me with all you got  
If I was a priceless work of art  
You'd draw a mustache on me, that's just how you are

Feeling like I'm vandalized  
You can't stop getting off, girl your love breaking me, making me  
Scandalized  
I get burned, I don't learn, so in turn, I get vandalized

Hey, hey, he-ey  
Hey, hey, he-ey  
Hey, hey, he-e-ey

Why do I keep coming back?  
Why do I keep coming back?  
I'm a mailbox, you're a baseball bat  
You don't care how I feel  
You just don't care how I feel  
You're an egg and I'm a windshield

So I get just vandalized  
You can't stop getting off, girl your love breaking me, making me  
Scandalized  
I get burned, I don't learn, so in turn, I get vandalized  
Vandalized  
You can't stop getting off, girl your love breaking me, making me  
Scandalized  
Well, I get burned, I don't learn, so in turn, I get vandalized

Hey, hey, he-ey  
Hey, hey, he-ey  
Hey, hey, he-e-ey  
Girl your love breaking me, don't ya?  
Hey, hey, he-ey  
Hey, hey, he-ey  
Hey, hey, he-e-ey  
Oh, vandalized  
Hey, hey, he-ey  
Hey, hey, he-ey  
Hey, hey, he-e-ey  
Hey, hey, he-ey
