

# While You Loved Me

Rascal Flatts

**G D A**  
1. If I ever write the story of my life  
**G D Dsus2 D**  
Don't be suprised if you're where it begins  
Girl, I'd have to dedicate  
**A**  
Every line on every page  
**B**  
To the memories we made  
**G**  
While you loved me

**D G A Asus2 A**  
R: I was born the day you kissed me  
**D G A Asus2 A**  
And I died inside the night you left me  
**Bm Am7 G**  
But I lived, oh, how I lived  
**D Dsus2 D**  
While you loved me

**G A D Dsus2 D**

2. I'd start with chapter one, love innocent and young  
As the mornin' sun on a new day  
Even though I know the end  
Well, I'd do it all again  
'Cause I got a lifetime in  
While you loved me

R:

**D G A Asus2A**  
R: I was born the day you kissed me  
**D G A Asus2A**  
And I died inside the night you left me, yeah  
**Bm Am7 G**  
But I lived, oh, how I lived  
**Bm G**

I (I lived) lived...

**Es As B Bsus2 B**  
I was born the day you kissed me (the day you kissed me, baby)  
**Es As B Bbsus2B**  
And I died (I died) inside the night you left me, yeah  
**Cm Bm7 As**  
But I lived, oh, how I lived  
**Cm As**

I lived... while you loved me
