

Winner at a Losing Game

Rascal Flatts

Baby, look here at me
Have you ever seen me this way?
I've been fumblin' for words
Through the tears and the hurt and the pain

I'm gonna lay it all out
On the line tonight
And I think that it's time
To tell this uphill fight goodbye

Have you ever had to love someone
That just don't feel the same?
Trying to make somebody care for you
The way I do is like trying to catch the rain
And if love is really forever
I'm a winner at a losing game

I know that baby, you've tried
To find me somewhere inside of you
But you know you can't lie
Girl, you can't hide the truth, oh no

Sometimes two hearts just can't dance
To the same beat
So I'll pack up my things
And I'll take what remains of me

Have you ever had to love someone
That just don't feel the same?
Trying to make somebody care for you
The way I do is like trying to catch the rain
And if love is really forever
I'm a winner at a losing game

I know that I'll never be
The man that you need or love
Yeah, baby, it's killing me to stand here and see
I'm not what you've been dreaming of

Have you ever had to love someone
That just don't feel the same?
Trying to make somebody care for you
The way I do is like trying to catch the rain

If love is really forever
I'm a winner at a losing game
If love is really forever
I'm a winner at a losing game

I'm tired of losing
