We notorious
ain't nobody can hang with us
Rascalz, Checkmate, Kardinal and Thrust
Choclair coming down with that northern touch
why you people wanna bang with us
ain't nobody can hang with us
Rascals, Checkmate, Kardinal and Thrust
Choclair coming down with that northern touch, tiggy touch
Check the lingowe spread through the atmosphere
so distinctive no other style comes near
so when you hear you've got to peer over the ledge to get a

so when you hear you've got to peer over the ledge to get a glance to know who is the man with the talents flipping my words like my body on the aparatus sky's the limit so I'm bound to break through the stratus with these rhymes that are classics forget the fads and the fashions step in and make on the microphone aiyo world domination is the base of foundation no time wasting fire walk we trail blazing burn to the next destination flexing on this world exploration team with the best in the nation yes and who that be cause I design fine rhymes into salary all the way from t-dot to the van city all stars rude boys freak you like a fantasy word

Yes from the northwest and the t-dot, o-dizot check

I like chillin, monday night Raw watching me and Daneo at the Sky Dome when it's in town my peoples know I just be regular so haters start dissin but steady reciting my lyrics all with my dick in they mouth they swallowin talking bout they need oxygen people need to know Choclair don't move in no slow-mo in vitro like a gyno-colo-gist now dollars in fist now, how you gonna fee when you see the six triple-o wheels start to peel suave dog appeal y'all know the deal if you don't, ask my man Y-dog he'll tell you the circle rides the spot t-dot represent slap my northwest connects Rascalz they make the cash flow indeed yo, I down the goldschlager, Big C puffs the lie Choclair with the mouth colorful like the currency ain't nobody can hang with us
Rascalz, Checkmate, Kardinal and Thrust
Choclair coming down with that northern touch
why you people wanna bang with us
ain't nobody can hang with us
Rascals, Checkmate, Kardinal and Thrust
Choclair coming down with that northern touch, tiggy touch

Yeah, I'm running with these villanous cats son fly to die, bro, kicking that all about rapture you heard of killer cats like this smooth dominating sessions like hoes get boxers when I'm flexin dillenger runnin up on ya so what you thinkin I got rhymes like politicians steady politicing stick and move I don't age yo I improve then maximize my time like we fightin' in the spotlight aight then who wanna battle you must be trippin whack niggas should be served an ass whippin we fortify and get live with niggas then expand cross seas and over lands got people in Jamaica, Trini, and London Australia I bring the soul to the front like Mahalia curb style will make a nigga buckwild cold flip and set trip then I dip and that's it

Van city all-stars you know who you are the notorious superstar just to see you smile and enjoy yourself i know you up in here to release yo delf so I'm frontin with the loot while others got the wealth I'm in the v.i. undetected like a stealth girl you got a shape, simply you got a figure can I zoom zoom lick a shot you puul the trigger club seeing honey I'll show you something much much bigger when it's said and done you'll be like ooh that's my nigga started from scratch you baby blue eyed figure She's a Gold Digger hard to kill figure got juice you wanna swigger we don't answer to them cause we much bigger Thrust the maker of a style that you wanna represent present in other words I pay the rent from the past to the present and the future whatever suits you all the same this kids's got game
