

# Thang For You

Rasheeda

You got me wanna pay your bills  
I better make sure I take my birth control pill  
Cause you got more play than the Buffalo Bills  
For other dudes I wouldn't, but for you I sure will  
Break my rules, tear down my walls  
I ride for you, dog, till the weals fall off  
Cook you meals when I'm in my high heels  
Nobody ever made your girl feel this real  
I ain't never had a brother that made me lose my mind  
Until I introduced myself to you, cause boy you're just that fine  
Yeah you got that swagger, that will have a girl like me trip off my chatter  
What you look for, it don't matter  
Cause soon you'll be mine

I got a thang for you  
Make me wanna switch it up and pay the bills for you  
I got a thang for you  
Put on my heels and cook a meal for you  
I got a thang for you  
So baby come and tell me what you wanna do  
I got a thang for you, I got a thang for you  
I got a thang just for you

I'm a winner, I'm on his team  
Me and him together, we to the damb thing  
Got me washing clothes, giving back rubs  
Late night fun off in the hottub  
I say "fuck love", but that be for show  
I even bought him a new set of 24's  
I ain't sippin, he be tippin  
Making sure he stay on point, and never slippin

I got a thang for you  
Make me wanna switch it up and pay the bills for you  
I got a thang for you  
Put on my heels and cook a meal for you  
I got a thang for you  
So baby come and tell me what you wanna do  
I got a thang for you, I got a thang for you  
I got a thang just for you

There's no ly, got me trippin  
Be all up in the kitchen cooking buckets of chicken  
And everything that he tells me, best believe I be listening  
Cause I'm blinded by his charm, the way his smile be glissening  
And I love damb near everything he does  
Girls just trust, I'm stuck  
We ain't made love, but if he does my hair would be messed up  
Sure enough

I got a thang for you  
Make me wanna switch it up and pay the bills for you  
I got a thang for you  
Put on my heels and cook a meal for you  
I got a thang for you  
So baby come and tell me what you wanna do  
I got a thang for you, I got a thang for you

I got a thang just for you
