

The Baddest

Rasheeda

[Chorus: Kandi]

Boy my tempreature is rising
Everytime I'm next to you
I get this feeling deep inside
My body's calling out to you
When you want it you can have it
I'll do what you want me to
Satisfaction guaranteed, boy you know I f*ck with you
Yeah I'm the baddest
Yeah you know you know
I'm the baddest
Yeah you got you got the baddest
Boy you know I f*ck with you

[Verse 1: Rasheeda]

How you need it?
How you want it?
I can do it, you know I'm on it
Let me work, watch it twerk
Let me show ya
Get [?] good, need to know satisfaction guaranteed
My expertise put him on his knees
The only way I aim is to please
Multiple things like I'm siamese
It's warming up, about to get hotter
Watch these panties disappear, call it Harry Potter
Imma make it role like [?]
Better get your rain coat, cause here come the rain water
Go hard, yeah I think you oughta
Beat this thing up, like a heavyweight boxer
I'm a bedroom monster
Threw it back at him, like I messed up his posture

[Chorus: Kandi]

Boy my tempreature is rising
Everytime I'm next to you
I get this feeling deep inside
My body's calling out to you
When you want it you can have it
I'll do what you want me to
Satisfaction guaranteed, boy you know I f*ck with you

Yeah I'm the baddest
Yeah you know you know
I'm the baddest
Yeah you got you got the baddest
Boy you know I f*ck with you

[Verse 2: Kandi]

Baby when you want it, just come and take it off
Anytime of day or night, I got you
Let me be your cowgirl and saddle ride you
I promis you'll be snoring before I get tired
Love it when I talk shit, don't you?
Tie me up and put all my juices on ya
Slurp it up, slurp it up, twerk it on ya
Give me face, give me face, drippin on ya

You got me hot, licky licky down to my spot
All this sticky icky icky makes my cherry pop
But just don't drizzle izzle izzle in my melting pot
Baby you know you got the baddest boo
Same way I know I got the baddest dude
Ain't holding back when it comes to pleasing you
That's why you got this bad bitch next to you

[Chorus: Kandi]

Boy my temperture is rising
Everytime I'm next to you
I get this feeling deep inside
My body's calling out to you
When you want it you can have it
I'll do what you want me to
Satisfaction guaranteed, boy you know I f*ck with you
Yeah I'm the baddest
Yeah you know you know
I'm the baddest
Yeah you got you got the baddest
Boy you know I f*ck with you
