

Funeral Song

The Rasmus

Cmi Es As

As **G**
1. I dumped you again
C# **C**
I don't understand
As **G**
It's happened before
C# **C**
Can't take it no more

As **Dmi**
These foolish games
Bmi **C**
Always end up in confusion
As **Dmi**
I'll take you back
G
Just to leave you once again

Cmi **As**
R: I died in my dreams
Es
What's that supposed to mean?
B G
Got lost in the fire
Cmi **As**
I died in my dreams
Es
Reaching out for your hand
B G
My fatal desire

Cmi Es As

2. I've failed you again
'Cause I let you stay
I used to pretend
That I felt ok

Just one big lie
Such a perfect illusion
I made you mine
Just to hurt you once again

R: I died in my dreams...
