

Last Generation

The Rasmus

- Cmi** **Fmi**
1. We stopped and left the car
Es **B**
The last thing I can recall
Cmi **Fmi**
A raging wave of light
Es **B**
Vaporized all this life
As **Cmi**
And we ran into the field
As **B**
Incapable to breathe
- Cmi** **Fmi**
R: Rest in peace it's all over now
B **Es**
It's the end of salvation
Cmi **Fmi**
Memories in the photographs
B **Es**
Of the last generation
Cmi **C#** **Es** **B**
Of the last generation
2. I've seen this in my dream
A petrified family
Pointing hands at me
Victims of the tragedy
Dust replaced their souls
Hearts turn into stones
- R: Rest in peace...
- As** **Cmi**
Dust replaced their souls
As **B**
Hearts turn into stones
- R: Rest in peace it's all over now
It's the end of salvation
Memories in the photographs
Of the last generation
- Cmi** **Fmi**
R: Rest in peace it's all over now
B **Es**
It's the end of salvation
Cmi **Fmi**
Memories in the photographs
B **Es**
Of the last generation
Cmi **C#** **Es** **B** **Cmi**
Of the last generation
