

Odyssey

The Rasmus

1

I was given a role in this play
It was written to show me the way
I was sentenced to live on my own
I was happy to be all alone

[Chorus]

But I love you, I love you, I love you, I do
And I hate you, I hate you, I miss you, I do
And there's so many things that I wish I could say
Standing on your grave

2

How I wish I could show you the stars
It's so quiet and gracefully dark
The night is cold and the river so deep
It'd be so easy to fall in the stream

[Chorus]

But I love you, I love you, I love you, I do
And I hate you, I hate you, I miss you, I do
And there's so many things that I wish I could say
Standing on your grave

[Chorus]

But I love you, I love you, I love you, I do
And I hate you, I hate you, I miss you, I do
And there's so many things that I wish I could say
Standing on your grave

Standing on your grave
Standing on your grave
