

# Teardrops

The Rasmus

Don't call us a family  
I know what you think of me  
Little piece of misery  
You run out of your life  
Every time you look at me  
Like you wanna kill me  
Mama can't save us  
She's under your spell

You don't even have a heart  
How are you gonna be the king?  
Pulling everyone apart  
Killing everything  
Rain's gonna fall hard  
Just like teardrops

Just like teardrops

I don't wanna live a life  
Living with the enemy  
I don't wanna be alive  
If that's all there is  
I can only do wrong  
So that's the way it's gonna be  
I'm ticking like a time bomb  
That's ready to blow

You don't even have a heart  
How are you gonna be the king?  
Pulling everyone apart  
Killing everything  
Rain's gonna fall hard  
Just like teardrops

Just like teardrops

You don't even have a heart  
How are you gonna be the king?  
Pulling everyone apart  
Killing everything  
Rain's gonna fall hard  
Just like teardrops

Just like teardrops  
Just like teardrops  
Just like teardrops  
Just like teardrops  
Just like teardrops  
Just like teardrops
