

## PJ + Vincent & Matthew + Björk

Rasputina

Polly Jean Harvey :  
I'm so fucking, fucking, fucking, hot!

Vincent :  
I know you are, babe.

Polly Jean Harvey :  
No, it's quite hot in here.

Vincent :  
Are you stupid?  
It's the nature of my glass house.  
Oh fabulous, here's Matthew + Bjork.

Bjork :  
Hello.

Matthew :  
Vincent, Polly - Good to see you.

Bjork :  
I'm so excited!  
I've never been on such an artistic and exclusive double date before.  
The erotic re-awakening that  
Matthew has brought about in me  
has opened a lot of plebeian activities that I've not experienced before now  
.  
I'm loving it, to do these things that aren't necessarily elfin

Vincent :  
Yea, Bjork, whatever.  
I just wanna know when you two down, who's wearing the clovenhoof strap-on?

Polly Jean Harvey :  
Vincent! How rude!  
Could I weigh any less?  
I'm really quite shy of my weight,  
but I like to take on characters for performing with the use of make-up.  
Eye make-  
up and lipstick and some more lipstick -- it's really quite transformative  
And when I've thrown up everything I've just eaten then I feel--

Bjork :  
Oh to throw up -- It means what?  
Also, everybody, what is the definition of disingenuous?  
I want to know so many things  
I've got a lot of many for designer clothes  
I can just trudge through the desert getting my "Comme des garçons" skirt al  
l dirty and dusty  
It don't matter  
If hopping into a live volcano feels right, I say do it.

Matthew :  
I say, cappuccinos are fine with me on the downtime, but what do you kids sa  
y to a picnic?  
I've got the basket and the bent waiting  
We could play some touch football, what do you say?

Vincent :

Hey, yea, Matthew, we're both hot former football players  
I know Bjork can fight like a motherfucker, but Polly would snap like a twig  
at the smallest tackle  
let's put her on a hook and do some minnow fishing  
Polly?  
Oh look, she's banging her head against the wall and Bjork's recording it

Bjork :

The rhythm! It moves my insides like sunshine jelly!

Matthew :

Isn't she a darling thing?

Vincent :

When she says 'jelly' it makes me think of someone's ass, and then I think--

Matthew :

How dare you, sir! That's my childwoman you're speaking of!

Vincent :

Matthew, I didn't say Bjork  
I'm just thinking of any ass  
Not even necessarily a woman, it could be my own ass  
Like my ass is--

Polly Jean Harvey :

Vincent you are an ass!  
You are an ass!

Matthew :

What about my ass?  
It's hard from sports

This repulsive celebrity double date has been brought to you by the Church of Latter Day Saints
