This Little Piggy

This little piggy went to market This little piggy stayed home This little piggy had roast beef And this little piggy had none This piggy cried wee wee All the way home home home This piggy cried wee wee wee All the way home home home All the way home

Where oh where was the market What'd the piggies call home Who made the roast beef for the piggies And how come they're crying all alone This piggy cried wee wee wee All the way home home home This piggy cried wee wee wee All the way home home home All the way home home home All the way home home home All the way home home home

Barber, barber shave a pig How many hairs does it take to make a wig? Four and twenty should be enough Give the barber a pinch of snuff

This little piggy went to market This little piggy stayed home This little piggy had roast beef And this little piggy had none This little piggy cried and cried and cried Wee wee wee all the way home This little piggy went to market This little piggy stayed home This little piggy had roast beef And this little piggy had none This little piggy cried and cried and cried Wee wee wee Wee wee wee Wee wee wee all the way home Wee wee wee all the way home Wee wee wee all the way home
