Down, down, down, down (Down, down)
Down, down, down, down (Down, down)
Down, down, down, down (Down, down)
Down, down, down, down (Down, down)

She said she know my name
They call her hater
She won't go out with me
Girl, call me elevator
She said she knows my friends
So she knows my nature
With all the girls in the club
You can call me changer

I'm on the boat, all about, make 'em party
So I need to go so fast, Maserati
Unless you know, strictly go, make her mad, ye
I don't need a job, but I'm still makin money
U-la-la-la-la-la-la-la-la-la-la
U-la-la-la-la-la-la-la-la-la-la
U-la-la-la-la-la-la-la-la-la-la
U-la-la-la-la-la-la-la-la-la-la

Everybody call my name
And they wanna part of fame
And they want me cause they know I'll be a millionaire
I'm a number one in game
And it's gonna be my day
I'm gonna take you, show you until you're
Down, down, down babe
Down, down, so going
Down, down, down babe
Down, down, so going
Down, down, down babe
Down, down, so going
Down, down, down, down
Down, down, down, down

Down, down, down, down (Down, down)
Down, down, down, down (Down, down)
Down, down, down, down (Down, down)
Down, down, down, down (Down, down)

Babe I'm on a mission
Yes, I'm new edition
I'm your dream, I can see
Baby, I'm your vision
I, I, I, I wanna see you go down
You, you, you, you baby need to slow down
I, I, I, I need to know why
You never be with me when I was Mr. No One

Everybody call my name
And they wanna part of fame
And they want me cause they know I'll be a millionaire
I'm a number one in game
And it's gonna be my day

I'm gonna take you, show you until you're
Down, down, down babe
Down, down, so going
Down, down, down babe
Down, down, so going
Down, down, down babe
Down, down, so going
Down, down, down, down
Down, down, down, down

Down, down, down, down (Down, down)
Down, down, down, down (Down, down)
Down, down, down, down (Down, down)
Down, down, down, down (Down, down)

Everybody call my name
And they wanna part of fame
And they want me cause they know I'll be a millionaire
I'm a number one in game
And it's gonna be my day
I'm gonna take you, show you until you're
Down, down, down (Down, down, down)
