

Breaking Newz Interlude

RAT BOY

"Breaking news: a police officer has just been gunned down after a bloody breakout from a detention centre in the Sky Blue area. Two suspects, one male and one female, broke into the prison at ten o'clock this morning, leaving one police officer dead. The escaped convict is believed to be none other than Scum. Details of their whereabouts are unknown, but they're driving an orange custom board convertible. We will update as the story continues..."
