

# Internationally Unknown

RAT BOY

I'm internationally unknown, I'm internationally unknown  
I'm internationally unknown, I'm internationally unknown

I don't know where we're gonna go  
I'm internationally unknown

I was born lost, last in the family  
In a town where they never, ever planned me  
Just like the others, thank fuck we found each other  
Sittin', smokin' spliffs, 16 undercover, 'til  
'Til under covers when I met my first lover  
She broke my heart when she ran off with my brother  
I showed no tears throughout my teenage years  
'Cause sellin' bales with my peers is better than now 'cause

I don't know where we're gonna go  
I'm internationally unknown  
I don't know where we're gonna go  
I'm internationally unknown  
(I'm internationally unknown)

Screamin', real music ain't ever on the radio  
Rippin' up my cigarettes, pullin' out tobacco  
Don't let 'em know it's hid under my pillow  
Lookin' back, now it don't seem too long ago  
At the time, I thought they were the worst times  
Right now, I think they were the best, 'cause  
Now I'm alone with my conscience on my chest  
My life, ain't lookin' forward to the rest, so

I don't know where we're gonna go  
I'm internationally unknown  
I don't know where we're gonna go  
I'm internationally unknown  
(I'm internationally unknown)

Raised on a diet of free porn and stale bread  
Always started on by the boys on the mopeds  
Out late, we never went to bed  
No street cred, I might as well have been dead, so  
Walk ahead, talkin' shit in the back shed  
I wouldn't flip for five scenes, rather die instead  
Misled by government in the power  
Now I work a dead end job, minimum by the hour

I don't know where we're gonna go  
I'm internationally unknown  
I don't know where we're gonna go  
I'm internationally unknown  
(I'm internationally unknown)  
I don't know where we're gonna go  
I'm internationally unknown  
(I'm internationally unknown)  
I don't know where we're gonna go  
I'm internationally unknown  
(I'm internationally unknown)
