

# I Think We're Alone Now

Ratcat

(CORDELL WANER CHAPPEL)

Children Behave, that's what they say  
When were together and watch how you play  
They don't understant and so were running  
Just as fast as we can,  
Holding onto one anothers hands  
Trying to get away into the night and then  
You put your arms around me as we tumble to the ground  
And then you say I think were alone now  
There doesnt't seem to be anyone around  
I think were alone now,  
The beating of our hearts is the only sound.  
Look at the way we've gotta hide what were doing  
Because what would they say if they ever knew.  
And so were running just as fast as we can,  
Holding onto one anothers hands  
Trying to get away into the night and then  
You put your arms around me as we tumble to the ground  
And then you say I think were alone now  
There doesnt't seem to be anyone around  
I think were alone now,  
The beating of our hearts is the only sound.  
\*  
I think were alone now  
There doesnt't seem to be anyone around  
I think were alone now,  
The beating of our hearts is the only sound.\*
