

She's A Gas

Ratcat

(S.DAY)

She is my gasoline, she is my beauty queen.

She is my pussycat, when she says "love" that is that.

She is the fuel in my fire, she's a gas

and when I burn with her, I know I'll never last.

Oooooooooo Noooooo!

She is my modern witch, she makes my life O so rich.

She is my babydoll, and she has got it all.

She is the fuel in my fire, she's a gas

and when I burn with her, I know I'll never last.

Oooooooooo Noooooo!

She is my venus in leather, she is O so clever.

She is my atom bomb baby, and don't you know she drives me crazy

.

She is the fuel in my fire, she's a gas

and when I burn with her, I know I'll never last.

Oooooooooo Noooooo!

I'm on fire ! (5x)
