

# Freedom

## Rationale

I've been going out of my mind  
Just at the thought of you  
Oh, I miss the feel of you  
It's only a matter of time  
Before I get to be with you  
Before I get the feel of you

And all my hopes, oh my  
How do I keep them alive  
Nothing else can make it right

But my  
Freedom I'm calling  
I don't know what else I have to prove  
Won't somebody come and cut me loose  
And give me  
Freedom I've been dreaming  
I've been living through the thought of you  
And there's nothing that I wouldn't do  
For my

For my my my my  
My my my freedom  
For my my my my  
For my my my my

I've still got my patience and pride  
And it won't run away from me  
Some things will never leave  
I spent way too long being blinded  
Show me the enemy  
Please be a friend to me

And all my hopes, and oh my  
How do I keep 'em alive  
Nothing else can make it right

Freedom I'm calling  
I don't know what else I have to prove  
Won't somebody come and cut me loose  
And give me freedom I've been dreaming  
I've been living through the thought of you  
And there's nothing that I wouldn't do  
For my

For my my my my  
My my my freedom  
For my my my my  
For my my my my  
For my my my my my my my my  
For my my my my  
For my my my my

I'm gonna get out of here  
And I'm gonna feel the wind under my wings  
Every tear that I shed  
For every moment in fear that I lived

And I wanna kiss the sun  
Hollering every truth that lives in my heart

For my freedom I'm calling  
I don't know what else I have to prove  
Won't somebody come and cut me loose  
And give me freedom I've been dreaming  
I've been living through the thought of you  
And there's nothing that I wouldn't do  
For my

For my my my my  
My my my freedom  
For my my my my  
For my my my my  
For my my my my  
My my my freedom  
For my my my my  
For my my my my
