

# Losing Sleep

## Rationale

I can't stand  
Autumn leaves  
They remind me of the untold reasons  
I feel numb  
In defeat  
The only thing I know now

This heart of mine  
It yearns for times  
When we were whole  
And you were kind  
This heart of mine  
It yearns for times

When you loved me deep, you loved me deep  
Like it was do or die  
You got me losing sleep, yeah, losing sleep  
It's praying on my mind  
Did I not give you enough? Did I make you give up?  
Oh, on the long game  
You used to love me

Cut my tongue  
From your leash  
It reminds me of the untold treason, oh  
Sure enough  
I paid you every due, I paid them all  
But you don't wanna know now

This heart of mine  
It yearns for times  
When we were whole  
And you were kind  
This heart of mine  
It yearns for times

When you loved me deep, you loved me deep  
Like it was do or die  
You got me losing sleep, yeah, losing sleep  
It's playing on my mind  
Did I not give you enough? Did I make you give up?  
Oh, on the long game, I know one thing  
You used to love me

(Do or die)  
(Do or, do or)  
(Do or die)  
You used to love me  
(Do or die)  
(Do or, do or)  
(Do or die)

When you loved me deep, you loved me deep  
Like it was do or die  
You got me losing sleep, yeah, losing sleep  
It's playing on my mind  
Did I not give you enough? Did I make you give up?

Oh, on the long game, I know one thing  
You got me losing sleep, yeah, losing sleep  
It's praying on my mind  
You used to love me
