

# Phenomenal

## Rationale

I keep on making these promises  
Don't know how I go to bed at night  
How am I supposed to carry this  
It's eating me up inside  
And the ones who know me best  
They don't notice anything

It's phenomenal  
The way you give me all your lovin' when I'm acting like some  
Animal  
I should let you go but I keep on coming home  
And I'll burn for this, oh, I know I'll burn for this

I keep on living this fantasy  
And I don't see no end in sight  
I don't want to do this to you anymore  
God, I feel so dead inside  
But I made my bed  
And now I must lay in it  
There's so much I can't defend  
There's so much I can't defend

It's phenomenal  
The way you give me all your lovin' when I'm acting like some  
Animal  
Oh, I should let you go but I keep on coming home  
And I'll burn for this, oh, I know I'll burn for this (keep on  
coming home)  
And I'll burn for this, oh I know I'll burn for this

I don't wanna do this no more

It's phenomenal  
The way you give me all your lovin' when I'm acting like some  
Animal  
Oh, I should let you go but I keep on coming home  
And I'll burn for this, oh, I know I'll burn for this  
You're phenomenal  
Oh, I know I'll burn for this
