

# Prodigal Son

## Rationale

I wanna hold counsel with the ghost of my father  
Tell him I'll be everything he could never be  
And if I face the obstacles that he failed to conquer  
I'll make it to the other side

I don't wanna go lonely  
I don't wanna reach out in the dead of night  
And find no one to hold me  
But I'm burning my bridges at the speed of light  
I got a monochrome candle  
Hollow in the middle, but I can't deny  
That I'm just like you  
Oh, I'm just like you

I wanna hold counsel with the ghost of my father  
Tell him I'll be everything he could never be  
And if I tame the anger in me he failed to sunder  
I'll make it to the other side

I don't wanna go lonely  
I don't wanna reach out in the dead of night  
And find no one to hold me  
But I'm burning my bridges at the speed of light  
I got a monochrome candle  
Hollow in the middle, but I can't deny  
That I'm just like you  
Oh, I'm just like you

But maybe I'm wrong  
And I'm just another prodigal, and cynical son, wrong  
I need to wake up, wake up, wake up  
Would someone tell me how come  
I can't find my equilibrium

I don't wanna go lonely  
I don't wanna reach out in the dead of night  
And find no one to hold me  
But I'm burning my bridges at the speed of light  
I got a monochrome candle  
Hollow in the middle, but I can't deny  
That I'm just like you  
Oh, I'm just like you  
I don't wanna go lonely  
I don't wanna reach out in the dead of night  
And find no one to hold me  
But I'm burning my bridges at the speed of light  
I got a monochrome candle  
Hollow in the middle, but I can't deny  
That I'm just like you  
Oh, I'm just like you

I'm just like you  
Oh, I'm just like you  
I'm just like you  
Oh, I'm just like you  
I'm just like you  
Oh, I'm just like you

I'm just like you  
I'm just like you
